

I WANT TO DANCE LIKE CATHY

© 2002 Leone Rogers

Verse 1

When I was born
I had a head, a brain, a body and two feet
I was complete
And as I grew
I learned to walk. I learned to talk. I learned to sing
But something was missing

Bridge 1

I wanted to samba, rhumba, cha cha, lombarda, mambo, salsa
Hey! But no walza
Yeah!

CHORUS

I want to dance like Cathy
That would make me happy
If I could dance like Cathy

Verse 2

Cathy taught
At the club at Mollymook
So I took a look

I tried to learn the basic step
But then I found I was inept
at the basic step

And it goes 1 2 3 tap, 1 2 3 tap, 1 2 3 tap - spin

CHORUS

Lead break

Bridge

Verse 3

I always got sick when I tried to spin
And I went out when I should have gone in
There's always something missing

When I try to samba, rhumba, cha cha, lombarda mambo, salsa
Hey! but no walza
Yeah!

CHORUS x 2

CHORUS to fade

(I want to dance etc)
(Bridge)
